Knowing the inner side of Dr. Rahul Agarwal :

As an unique combination of science and spirituality, Dr. Rahul is a living embodiment of courage & firm grit who has overcome the fear of death . He has fought the battle of life with great inner strength & strong determination working thru his soul consciousness inspite of suffering from host of devastating bodily ailments since 2004.

His de-attachment with the lower nature presents a vibrant unfoldment of his travel on various higher planes but also his oneness with the higher nature. Through his profound teachings, lessons, prophecies and editorials in "Prana Jaipur" he is a tremendous source of inspiration for his students, co-workers and fellow beings as a living embodiment of how grave bodily sufferings can be transformed into soul consciousness.

Testimonials

- ❖ Post admission of our 67 yrs. old mother in ICU, late night, we immediately contacted Baba (Dr.Rahul), as fondly we call him , for his blessings and healing. As per his message sent post blessings, " the soul desires to exit the body ; needful done to aid the exit."She left for her heavenly abode in total peace post his message, the very next morning. Baba is an amazing soul. - **Sanjay Khawad, Jaipur**
- ❖ I never saw Death from such close quarters. The session was mind boggling & the best part was that at the end of the session, I was almost looking forward to it rather than being afraid of it. Dr Rahul Sir knows about Death much more than what we would ever care to know about life. Thank you sir. - **Madhu Sudhir, Mysore**
- ❖ Dr. Rahul's teachings, healings, love and compassion is just absolute. Now his BP stays around 80/50 most of the time but His soul nature dictates the body, hard to believe. **Dr. Mradul Daga, Delhi**
- ❖ The treating Consultant doctor told Dr. Rahul in 2004 that restricted outdoor movements due to Immune Deficiency state is likely to land him into severe depression but surprisingly over the years he is the one who has been lifting out people from depression & other difficult situations... really inspiring. - **Dr. Arun Mathur , Jaipur**
